Re: Non-Compliance Hazardous Waste Activity

~~Raymark Corporation Land Disposal Facility~~
~~PAUL, No. 123 Steiger Street~~
Manheim Borough, Lancaster County

Dear Mr. Smith:

As a result of an inspection conducted on Thursday, February 19, 1987 it has been determined that Raymark Corporation is in violation of the Solid Waste Management Act of the Commonwealth of Pennsylvania (SWMA), Act of July 7, 1980, P.L. 380, No. 97, 35 P.S. Section 6018.101 et seq., and Chapter 75 of the Rules and Regulations of the Department of Environmental Resources as follows:

1. A letter sent to Mr. Craig R. Smith, President and General Manager of Raymark Corporation on August 1, 1986 from Michael R. Steiner, Regional Solid Waste Manager, DER; stated that Raymark's Part B Application was denied and all waste disposal into the landfill must cease immediately. As a result of the Part B Application denial, interim status is terminated as required by Chapter 75.272 (d)(1).
2. During the inspection, it was determined that Raymark Corporation is still operating the land disposal facility and is therefore, in violation of Section 75.270(a) of the Rules and Regulations of the Department, and Section 401(a) of the SWMA.

3. As agreed upon by Raymark Corporation and DER during a May 28, 1986 meeting, Raymark was granted a three month extension on submittal of their Closure/Post-Closure Plan to the Department. The specific date agreed upon was January 1, 1987. To date, a Closure/Post-Closure Plan has not been submitted. This is a violation of Section 75.265(0)(3) of the Rules and Regulations of the Department.
4. Raymark Corporation still has not met its bonding and insurance responsibilities for the above referenced site, in violation of 25 PA Code §§75.311(a) and 75.331(a) and Section 505 of the SWMA.
5. The actions and conduct described in Paragraphs 2 through 4 above constitute unlawful conduct on part of Raymark Corporation pursuant to Sections 403(6)(9)(10)(11), 501(a), 610(1)(4) and (9) of the SWMA, and constitute a public nuisance pursuant to Section 601 of the SWMA.

In order to achieve compliance with the SWMA, the implementation of the following procedures is recommended:

- A. Cease and desist from the dumping or permitting the dumping of hazardous waste on this property immediately.
- B. Immediately meet your re-responsibility for the site by submitting an adequate bond and proof of insurance.
- C. Submit to the Department by March 6, 1987 a completed Closure/Post-Closure Plan per Section 75.265(0)(5). Raymark should also apply for a Post-Closure Permit as required by Section 75.264(a)(1)(ii).
- D. By March 9, 1987, submit to the Department a written report addressing the circumstances under which these violations occurred, and what provisions you have taken to correct these violations and to prevent their reoccurrence. The report should also address hazardous waste disposal off-site.
- E. Attend a meeting at our office on March 13, 1987, at 1:00 p.m., to discuss these violations and appropriate penalties.

Re: Hazardous Waste Bonding

Dear Mr. Keen:

Our records indicate that you are in violation of the bonding regulations found at 25 Pa. Code Chapter 75.311, which established bonding requirements for all hazardous waste storage, treatment, and disposal facilities in Pennsylvania. Specifically, an adequate bond has not been submitted in accordance with Chapter 75.311(a) for the referenced facility.

Facility owners or operators who do not submit bonds as required by Section 75.311 are subject to enforcement actions by the Department. Enforcement actions can include, but are not limited to, requiring facility owners or operators to cease using that portion of the facility which has interim status for treatment, storage, or disposal of hazardous waste.

Your bond should be submitted to the Department at the above address on or before August 15, 1986. Please contact me after the required bond submission and before August 25, 1986, to arrange a conference to discuss appropriate penalties for failure to submit the bond when due.

This Notice of Violation does not waive, either expressly or by implication, the power or authority of the Commonwealth of Pennsylvania to prosecute for any and all violations of law arising prior to or after the issuance of this notice of violation or the conditions upon which the Notice of Violation was based, nor shall this Notice of Violation be construed so as to waive or impair any rights of the Department of Environmental Resources heretofore or hereafter existing.
